

HOPE AT THE BRICK HOUSE

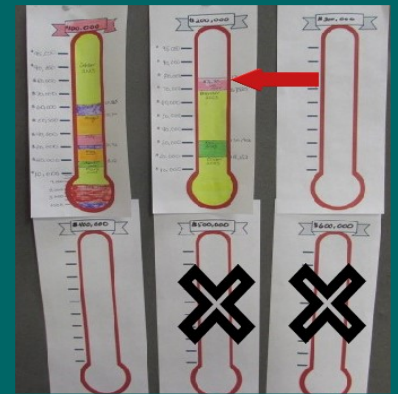

To see every family loved and cared for

THANK YOU, local & regional Target employees and associates, for hosting the “Heroes and Helpers” event that allowed our kids to shop AND receive \$100’s of dollars worth of items for their families for Christmas. Thanks to Sgt Andrew Harris and Kelcey Duy from Target for organizing and all the First Responders & volunteers, who participated to help make this an awesome event for kids and families!

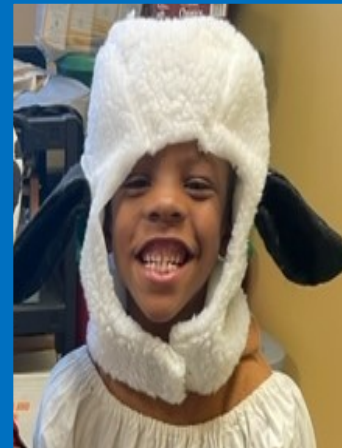

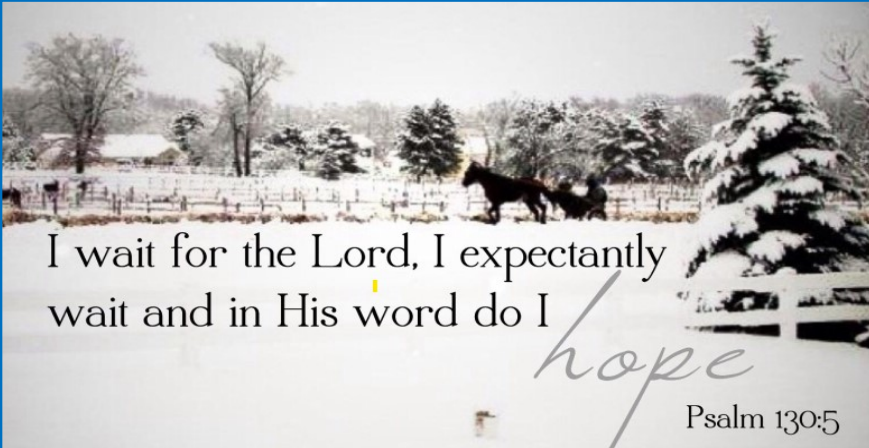

**We Welcome a
New Year, Building
One Brick at a Time!**

Last month I shared that our beginning need looked like this: each thermometer representing \$100,000 for a total of \$5-600,000. We are praying that God will remove the need of 1-2 of these pictures as we see how we can cut some costs and still be efficient! Last month we had \$135,000 donated. Today we have \$176,725. We continue to see God’s hand in providing for this project. Thank you for praying, giving, and sharing in the dream of our needs. By the end of the month, we expect to have our project bids complete and the numbers in. Thank you for the continued support!!

Mission
Giving hope to
individuals and families
through spiritual, educa-
tional and community
based support.

It was an absolute JOY to see all 42 kids perform & sing in their Christmas Program. They had fun being animals, kings, angels, shepherds, Mary & Joseph, and they were a true light for Jesus as they sang and worshipped Him. Ms Mary taught sign language to "Silent Night" and special thanks to Ms Katie who directed and organized the whole event, and Ms Linda for use of The Center.
