Dear Friends:

We are ready to DIG and BUILD. Note the details above for our upcoming celebration of our new building! We are excited for what God has in store.

Recently a 3rd grader prayed for our meal and ended with, "and God will you provide all the money we need for our new building and all the things we need to go with it!" This little girl did not know that in conversation with the company who was serving our meal, they said to me, "when you are ready, come to our warehouse and pick out what you need!" The following day, I was able to replay those conversations with our kids and show them that God answered her prayer BEFORE it was even prayed!

We have chosen to wait on a loan, believing we can continue to raise the money needed to complete our project. Please pray for us and give as God leads. Over 1,000 people receive our newsletter. I share constantly with our kids how God is continuing to provide for us through *all of you!* **THANK YOU!**
